2023 TEAM MEMBER BENEFITS GUIDE

ELIGIBILITY

Full-time team members (those regularly scheduled to work 37 hours per week) and part-time benefit-eligible team members (those regularly scheduled to work more than 30 hours per week but less than 37 hours per week) are considered by American Equity to be “benefit-eligible” team members. See the Team Member Handbook for specific qualifications. Eligible team members and dependents may enroll in the benefit plans within the first thirty (30) days of employment, during the open enrollment period, or if a team member or dependent experiences a “Life Event.” Benefits are effective immediately upon hire date.

MEDICAL INSURANCE

American Equity offers two medical plan options through [BlueCross BlueShield of Alabama](#): a PPO Copay plan and a High Deductible Health Plan (HDHP), which is eligible for a Health Savings Account (HSA). These options allow you the option to choose between paying a fixed dollar amount (copays) for your healthcare expenses or utilizing your HSA dollars for out of pocket expenses. Please reference the table below for the Company’s annual contribution to your HSA.

By utilizing in-network providers, both plans offer enriched benefits, with lower costs, and have providers available nationally. The network is the same under either plan providing national coverage. If you select an out-of-network provider, you will be responsible for any additional charges the insurance company does not allow. For current provider information, please refer to the Carrier Contact page in this booklet. To ensure coverage, always verify that the provider is a participant before seeking treatment, as providers are periodically added or deleted from networks.
