This annuity is a single premium immediate annuity. This disclosure is intended to summarize this annuity contract. Refer to the contract for specific terms and conditions of the annuity. This is an immediate annuity, which means the payee will begin to receive income (annuity payment) immediately from American Equity according to the annuity benefit selected at the time of application.

THE ANNUITY CONTRACT

Available ages 18-90.

This Immediate Annuity is long-term in nature and designed to guarantee an income for either a specified period, or for the life-time of the Annuitant. In exchange for a single premium, the Immediate Annuity provides income guaranteed not to decrease regardless of external interest rate fluctuations.

Non-Liquidity of Immediate Annuity – This Immediate Annuity has no cash surrender value and does not contain any liquidity or commutation of value provisions. Once issued, payments will begin as shown on the contract specification page, and cannot be changed or stopped, while the Annuitant remains alive. There is no provision for a lump-sum payout.

Payments upon death of the Annuitant are outlined under Income Options in this disclosure.

Tax Treatment – For non-qualified plans, only a portion of the income is subject to income taxes, with the remainder representing a return of premium. For tax-qualified contracts, all income is subject to income taxes. The Internal Revenue Service determines the formula used to determine the taxable amount. The contract owner will receive a form 1099 each year detailing the amount reported to the IRS as taxable. **Distributions prior to age 59½ may also be subject to IRS premature distribution penalties.** American Equity does not offer legal, investment, or tax advice. Please consult a qualified professional.

Please Note: State Premium taxes are deducted prior to issue in states where applicable.

ADDITIONAL INFORMATION

- Each state has a law that provides a set number of days to look at an annuity contract after it is purchased. If a contract owner decides during that time they do not want it, the annuity contract can be returned. We will refund all premiums paid and cancel the annuity contract as of the issue date. Please review the contract after delivery to confirm the number of days available.
- Like any annuity issuer, American Equity incurs expenses to sell and issue its contracts, including the payment of a commission to its agents. These expenses are taken into consideration when interest rates are established. Contract owners receive all benefits as set forth in the contract.
- If this contract is replacing another contract, a detailed comparison of the proposed and existing contracts can assist in making an informed decision.
- We may change the annuity contract from time to time to follow federal or state laws and regulations. If we do, notification will be provided in writing. Annuity contracts are insurance products and are not guaranteed by any bank or insured by the FDIC.

TAX WITHHOLDING ELECTION

Federal law requires us to withhold 10% of the taxable portion of your distribution for federal income tax. You may elect not to have federal income tax withheld or you may elect a higher withholding rate. Even if you elect not to have federal income tax withheld, you may be responsible for paying estimated taxes. You may incur penalties under the estimated tax rules if your payment of estimated tax and withholding, if any, are not sufficient to satisfy your tax liabilities.

Your distribution may also be subject to state income tax withholding. Some states require that state income tax be withheld when federal income tax is withheld. Additionally, some states have minimum withholding requirements. If you live in one of these states, we will withhold state income tax as required by your state. In other states, withholding is voluntary. If you do not make a withholding election, or if you do not specify a withholding amount, we will withhold 10% federal income tax and will not withhold any state income tax, unless a different amount is required by your state.

District of Columbia residents: We are required to withhold state income tax from the taxable portion of your distribution on a full surrender from a qualified plan (i.e. all contracts other than non-qualified contracts).
