

Lifetime Income Solutions

We're living longer. We're facing longer retirements. Fixed index annuities with optional lifetime income riders can provide lifetime income to help ensure you don't outlive your income.

LIFE EXPECTANCY

A man reaching age 65 today can expect to live, on average, until age 84.3.
A woman turning age 65 today can expect to live, on average, until age 86.6.*

LONGEVITY

It's estimated that about one out of every four 65-year-olds today will live past age 90.*

FIA

Guaranteed principal protection, growth opportunities and guaranteed income, with lifetime income options.

LIFETIME INCOME

Flexible lifelong income payments, joint payout options and care-related increases available.

¹Availability may vary by product and state.

This information is provided for informational purposes only and is not a comprehensive discussion of fixed index annuities, nor does it reflect any specific American Equity product. Please read the sales brochure and disclosure for complete details and limitations.

Lifetime Income Riders may incur an additional cost. Surrender charges may apply to excess withdrawals that exceed 10% annual free withdrawal available under the contract. You may be subject to a 10% federal penalty if you make withdrawals before age 59 ½.

Guarantees are based on the financial strength and claims paying ability of American Equity and are not guaranteed by any bank or insured by the FDIC.
